

Paumier

**FROM DESIGN
TO TRAINING**

- **INDUSTRIAL COLD**
- **AIR TREATMENT**
- **CLIMATIC ENGINEERING**
- **VENTILATION**
- **ATEX SOLUTIONS**

SERVICE **Spare parts**

To keep your equipment in good order over time, **Paumier** has a dedicated spare parts service.

• **In order to meet your expectations as soon as possible, Paumier has developed a dedicated service composed of:**

- A spare parts stock
- A distribution network comprised of partners allowing a large range of various and specific products
- A technical team offering new solutions if the part is obsolete

• **Each spare part or solution is provided taking these requirements into account:**

- Time
- Cost
- Technical characteristics
- Logistics

• **Paumier supplies spare parts for all types of refrigerating installations and adapted to your sector of activity:**

- Food-processing industries
- Petrochemical industries
- Pharmaceutical industries
- Logistic warehouses (preservation, freezing...)
- Retail areas
- Explosive atmospheres (ATEX)
- Marine (offshore, service boats, fishing, military, cruise...)
